ND=Not Detected, NR=Not Reported, LOD=Limit of Detection, LOQ=Limit of Quantitation. This product has been tested by Nordic Labs using validated test methodologies. Values reported relate only to the single sample tested. No claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein are made by Nordic Labs or representatives. All Pass/Fail limits are as specified by applicable Administrative Rules of Montana including, but not limited to, ARM 37.107.316. This Certificate shall not be reproduced except in full, without the written approval of the aforementioned lab and, for it to be fully valid, compliance sampling must be performed by a Nordic Labs representative. A "Fail" compliance test is repeated before reporting. Uncertainty information is available upon request. Potency, Pesticides, and Terpene values are reported by dry weight calculations for flower.
